

ABOUT B Miles Women's Foundation

B Miles Women's Foundation is a specialist homelessness service supporting women in Sydney living with mental ill-health who are experiencing homelessness or at risk of homelessness.

Working in collaboration with mainstream services and housing providers to offer an integrated, client-centred approach to homelessness recovery and prevention.

FUTURESTEPS PROJECTS

FutureSteps has supported:

Affordable transitional housing for low-income women in Inner City Sydney impacted by family & domestic violence through the repurposing of two apartments - \$100,000.

Tenants will receive wrap around services to support wellbeing, stability and recovery.

"Your support will help us create a safe and stable place to call home, while we work on securing each woman a permanent home. The Lendlease financial contribution will support our organisation to renovate and set up two newly purchased apartments that will be ready for use in 2025". Kate Timmins CEO
